October 2011

Ephesians 2:10- For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them. What a thought? Created by a wonderful God so we can do works that bring honor and glory to His name...what a privilege!

The month of September was one to remember. My family and I have seen the hand of God moving in so many different ways. The month started out with a blessing concerning our home school program. Northside MBC in Berryville, Arkansas has a H.O.M.E ministry that helps to support missionaries with their home school expenses. What a blessing this ministry was to our family as they paid for our materials for the entire year! It is such a joy to be able to teach our children the word of God and their academics from a biblical perspective. Thank you Northside.

On August 26th my family and I arrived at Bethlehem MBC in Star City, Arkansas. The Macedonian builders were to be arriving on September 3rd to help the church with their new sanctuary. I had one week to layout the walls and get all the materials to the job site. With the help of some of the local men and some of the builders who came in early we were ready to start Saturday. The Lord sent many workers from ten different states to help on this project. Monday evening we began holding a revival meeting after the work had finished for the day. It is a blessing that we have many preachers come to help at the building projects. What a waste it would be not to enjoy their talents! The first week ended...and all the walls were up, the roof trusses were set, the roof was decked, the shingles were complete, the electric and heating and air was started and the soffet was being started. Praise the Lord. Yet the real highlight of the first week was that two had gotten saved. Praise ye the Lord. The second week began and the work continued on. At the end of the second week all the framing and siding was complete and the electricians and hvac guys were well on their way to completion. It was great to see all that the Lord had done but yet again, the highlight of that week was that one young man from Texas had received Jesus as his Savior.

The project ended and on September 18th I had the opportunity to help Holly Springs MBC in Star City, Arkansas in their revival meeting. We had a great time meeting and fellowshiping and working. The week of the revival some of the builders stayed back to help the church with a drive under on their new building and with finishing the back wall of their multipurpose building. The Lord blessed as the work got finished and we got to see one more soul come to know Jesus as Savior.

While the projects were going on I also had the privilege of visiting New Friendship MBC to look at a future building project. It was great to meet such fine people and see what the Lord is doing in Benton, Arkansas. I hope to see this project coming online soon.

Michelle reminded me on Saturday 24th that we had been gone from home since August 6th. It was a great feeling to be heading home. Please continue to pray for the ministry. We are working on plans for next year and hope to set dates soon.

For His Honor,
Brant Lane

Schedule	
2012	
Feb/Mar	Grace MBC Auburn, Georgia
May	Antioch MBC Dexter, Maine
July	Sugar Creek MB Academy Ironton, Ohio

Sponsoring Church: Hillcrest Baptist Church Pastor Paul Vance 6069 Woodstock Road Acworth, GA 30102 (770)917-9100
