925-765-3990

Prayer Request

Safety for each of our Teams and for Carole and me as we travel and that souls will be won for the Lord.

Financial Support for Travel Fund.

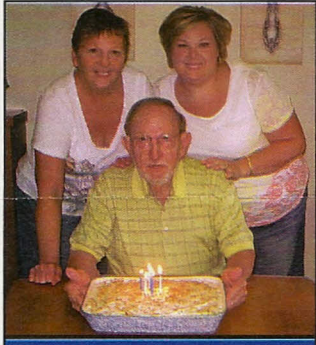

Last year's travels have taken quite a toll on my travel fund. I am over **\$5497.00** in the red. **Please pray with me for the Lord to supply this deficit.** If you would like to help, with an offering, it would be greatly appreciated. See reverse side for financial report.

Sending Church:

Whetstone Baptist Church
2405 Hwy 1003
Somerset, KY 42501

Dear Co-Laborers,

One of the reasons I love August is because my birthday is on the ninth, and this year, I had a birthday cake made just for me. Kim and Randi-Kim invited Carole and me over to their house to celebrate, and yes, they had made me a cake.

Happy Birthday!

Another tremendous blessing in August was on the 14th, I was privileged to take part in the ordination of five great men to the office of deacon at White Oak Baptist Church in Nancy, Kentucky, where Bro. Reggie Tipton is pastor. White Oak is the oldest church in the American Baptist Association.

Even though there were not as many projects going on during August, it certainly has been busy here at the office, getting things ready for the September and October projects.

We are looking forward to our own Cumberland River Association meeting September 9-10, which will be hosted by Pine Hill Baptist Church, and the October

7th Macedonian Banquet Meeting in Florida, before going to Peru to conduct the next MacMed Medical Campaign.

We experienced one of the highlights of the month when we received a letter, with an offering for the General Fund, from one of our prayer partners who said she was 95 years young. In the letter, she told me how much she appreciated receiving the correspondence, newsletters, and the Macedonian Call, which tell of the things the Lord is doing through the Macedonian Missionary Service ministries. Her letter greatly encouraged us, and we are so thankful for it, the offering, and her prayers.

We are so thankful to God for all our friends and co-laborers, who continue to provide both prayerful and financial support for Macedonian. I also want to thank all who pray for me personally and those who give to my travel fund and for support. May God richly bless you.

Yours for
World-Wide
Missions,
Leon
