

Building Director Brant Lane

October 2016

Dear Brothers and Sisters,

I John5:5- Who is he that overcometh the world, but he that believeth that Jesus is the Son of God? Many times the world thinks overcoming has to do with their own strength, but as a Christian we are overcomers because of Who we believe in. He overcame death, hell and the grave. He gives us victory.

The month of September started with Aaron Lane celebrating his third birthday. It is hard to believe our little man is three. If you ask him he will tell you quickly he is not a baby anymore but a big boy. Pray for his mother because I see a lot of his daddy in him.

This month the mission home in Somerset, Kentucky started getting the exterior siding, rough plumbing and heating and air installed. I appreciate all those that have volunteered to help on this project. Pastor Delton Haydon has been a tremendous blessing as he has helped to pull permits, install a large share of the plumbing and helped to get the heating and air put into the home. Brother James Nichols, his son Landon and his son in law Chris installed all the exterior siding. I appreciate them taking time out of their busy schedules to serve the Lord in this capacity. I also want to thank those who have given financially to the project. We still need to raise more funds to finish. Please consider having a part in this project as it will touch many missionaries' lives and help to further the gospel message. Please earmark checks to Evening Shade Park. God Bless!!!!

This month the Cumberland River Association met for its annual meeting. It is always great to visit with friends and enjoy some good preaching.

The middle of the month my family and I headed to Bogalusa, Louisiana to help in their building project. Paul Lamb did a great job setting up this project and working with the church. The project consisted of adding 5000 sq. ft. to the church. The catch was that there were three buildings already up and the goal was to build one more building and tie all the roof lines together to put it under one roof. God sent all the right people and when most of us left on Saturday, October 1st not only was framing complete, but the roof was dried in and the electrical work had been roughed in. I want to thank Tommy Baker for all his hard work in coordinating the electrical part of the project.

My family left Saturday to head to Mobile, Alabama to share about Faith Promise and then off to Florida. We will not be headed home until the middle of October so please pray for us as we travel.

I want to praise the Lord for all He is doing in and through the ministry of Macedonian. God has truly been blessing. Please pray for all our staff and missionaries.

On December 5th a bus will be delivered to Two Grey Hills Mission in New Mexico. The bus will be leaving Somerset on the 5th. If you would like to be a part of this team please contact me or the office. We should be gone a week. God Bless!!!

For His Honor,

Brant Lane
