November 2016

Dear Brothers and Sisters,

Matthew 11:28- Come unto me, all ye that labour and are heavy laden, and I will give you rest. The only true rest an individual can find is not through the type of mattress they have but in the Lord Jesus Christ.

I have so much to write and so little space to do it. The month started with my family leaving the building project in Bogalusa and heading to Theodore, Alabama. Baumhauer Road Baptist Church and her Pastor Charlie Collins invited us to share with the congregation about Faith Promise Giving. The church was such a blessing to our family.

The next week my family headed to Florida for the annual Macedonian Banquet but the hurricane had other ideas. It was unfortunate but the banquet had to be canceled this year due to the dangerous weather. The project for Four Acres Baptist Church in Jacksonville Florida also had to be rescheduled due to the hurricane.

The middle of the month had our family at Hillcrest Baptist Church in Acworth Georgia. The missions conference was such a blessing to our family. I enjoyed the opportunity the church gave me to preach the gospel. I appreciate Pastor Mike Maxwell and the church for doing so much to promote the ministry. I would like to thank Mike Ryan for taking my kids to the Vulcan Rock Quarry. They were amazed at the process the quarry goes through to crush the rocks. The kids said the coolest part was when they blasted with the dynamite.

Once we finished in Acworth the trail lead home. My family headed home to Kentucky. It was a big week. White Oak Baptist Church had its first annual missions conference. It was such an amazing time. We got to visit with some 13 missionaries from all over the world. The preaching and fellowship was tremendous. I was so proud of my church!!

The mission home in Somerset Kentucky continues to move forward. This month the septic, rough electrical, heating and air, plumbing and foundation drains were all installed. We hope to have the house in sheet rock by the end of the month. I want to thank all those that have helped to get it to this point. Praise the Lord!!!

Please pray for the building team as they will be working in San Luis Potosi, Mexico until November 12th.

For His Honor,

Brant Lane
