To God be the glory, great things He has done!

Dear Co-Laborers,

October began with a great celebration of our church, Whetstone Missionary Baptist, as we celebrated her 100 year anniversary on the 2nd. Dr. James Floyd was the speaker in the morning service, which was followed by dinner on the grounds. The Cross Roads Quartet brought special music that afternoon. It was a blessing to attend these services. How wonderful to know that Whetstone is still preaching and teaching the truths of God's Word after 100 years.

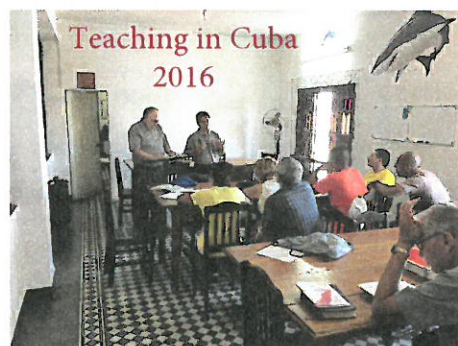

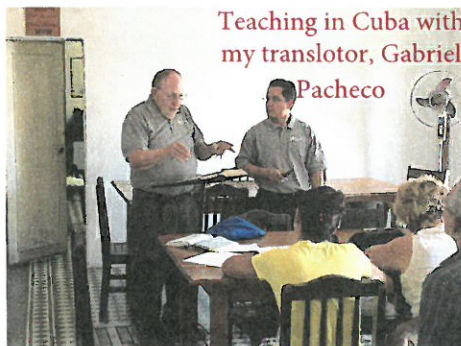

Carole and I drove to Florida for the 44th annual Macedonian Missionary Service Banquet, but the banquet was cancelled due to Hurricane Matthew. The Directors Meeting was held by phone to discuss necessary business. We stayed over in Florida and I spoke and gave reports at Eastside Baptist, Mulberry Baptist, 60th Street Baptist, and Pinellas Park Baptist Churches. We enjoyed visiting with all of these churches and their pastors.

On our return home, Carole and I stopped at Hill Crest Baptist Church and listened to Brandon Jones speak in their Wednesday evening service.

On October 20th, I left with the MacMed Team and headed to Cuba to conduct a medical and teaching campaign. It was my second trip to Cuba this year. Dr. Hugo Mallozzi, his wife, Alma, and daughter, Paola who is a dentist, came directly from Mexico, meeting the Team in Cuba. While we were there, I taught the auditorium class on Sunday morning, and in addition, Bro. Ray McAlister and I taught three more days in their Bible School's Mission Class. We were also able to preach at two in-home churches in the area. It was a blessing to have religious visas which allowed us to teach and preach while we were there. The Team had a huge success while in Cuba. To GOD be the glory!

Thank you for your prayers and financial support!

God Bless,  
 Leon Jasper
