Hello Everyone,

It is so amazing that the Lord allows me to do His work all over the world. He never fails to provide what I need to do His work. His blessings over the last year leave me speechless. Why in the world did He choose me of all people? The only answer I can come up with is that I have given Him my life. I have surrendered to His will. I don't always get it right, but He is always there to encourage me to carry on.

I love that my wife has been able to do the Lords work right beside me this year. I pray that she will be with me more and more in the future. It is hard to leave her at home for weeks at a time, but she is a great support to me. Erika and I will be celebrating 27 years of marriage on September 9th. I have to say, the Lord know just the right woman to love me and keep my straight. He always knows what I need.

Now I am preparing to go to Cuba with the Mac-med team in October. The day after I get back from there I will be leaving for Mexico with the Builders. I will be the Evangelist on both trips. I can't wait to see what the Lord has in store for us.

I am currently in my third semester of Seminary. I am learning so much. Taking tests and writing papers is not my strong suit, but I am taking advantage of help offered from a school teacher friend of mine. She has taught me a lot as well and I am very grateful.

Our Church, Hillcrest Baptist Church, in Acworth, Georgia is preparing for a First Responders Appreciation Day on September 11th. We want to thank our Fireman and Police for taking such risks with their lives to keep us safe. We will have special services that morning and then a BBQ and games, etc. in the afternoon.

We are also preparing for our Annual Missions Conference. It is scheduled for October 14th through the 16th. The next couple of months are going to be extremely busy.

God Bless you all for your encouragement and prayers.
