

Mechanics Coordinator Ricki Boyle

September 2016

The month of August has been an encouraging time for us. The Lord has blessed us in many ways. My wife, Lesa, and I celebrated our 36 year wedding anniversary on August 3rd. What a blessing it is to have such a Godly and supportive wife along side me.

Many of you have contacted us for updates on our parent's health. My mother has recovered nicely from her surgery's and is doing very well. My father is continuing to recover without any complications from open heart surgery. My father in law has had a long slow recovery but has started improving and is doing much better. Thank you for lifting them and us up in your prayers during the last several months.

In the shop, in Acworth, Georgia, the van that is going to be delivered to Missionary Jack Brown in Colorado, has had the mechanical repairs finished up. After installing a new set of tires, I drove it to Nancy, Kentucky to have some paint work done on it. The delivery date will be September 28th- October 3rd. Go with us!

I spent two weeks in the Somerset, Kentucky area where I was able to help out on the Macedonian Mission house build. While I was there I spent a few days working with Bro. Terry Molden to set up equipment and another vehicle lift in the shop that was made available to Macedonian Missionary Service in Nancy, Kentucky.

I would like to thank Chris and Rebecca Pierce for allowing me to stay in their home with their family while in Kentucky. They are a fine Godly family that is a great example of Christian love and giving. Thank you for sharing your home and family with me.

As the Lord grows the mechanics ministry we need to maintain equipment, purchase tools, pay monthly software license fees, and supply chemicals and shop supplies to facilitate the repairs. We ask that you consider how you may help with these monthly expenses. As we see the Lord bless and grow the ministry, we have need for automotive, truck, and equipment technicians that maybe be available to help out on occasion. Many times there is a need to just be available for a phone call from myself or a missionary for some expert advice on repairs and vehicle questions. God will bless you for using the talents that he gave you to further his kingdom. Please contact me through the Macedonian offices if you would like to help.

God bless you all and thank you for your prayers and support.
