Jeremiah 10:23-" O LORD, I know that the way of man is not in himself: it is not in man that walketh to direct his steps."

The month of September was a little different than I had planned on it being. It presented a few challenges to overcome and required some changes in our schedules. The Lord led our walk all the way and provided.

After being home from Kentucky a few days, I received a phone call in the middle of the night from my step-mom; she was explaining that my father had taken a bad fall and hit his head. She continued to tell me he was being airlifted to a hospital in Saginaw, Michigan in very critical condition with a brain bleed. I caught the first flight I could arrange after hanging up the phone with her. After extensive surgery and a few weeks in critical care, he has been transferred into a rehabilitation unit progressing along. He has a long way to go, but has been improving daily. Thank you for many of you who have been praying for him.

The van scheduled to be delivered to Brother Jack Brown in Colorado has been canceled and will be rescheduled in the near future.

I flew to Belize City, Belize to meet up with Pastor Don Moore from Providence MBC in Center, Texas. The congregation from Providence had voted to help West San Ignacio Baptist Church in San Ignacio by purchasing a van for them to use for their church. Brother Don Moore contacted me about helping in the search for a good van for their missionary. Brother Don Moore and I, along with Pastor Sheldon Guzman searched for several days for reliable vans. We were able to complete the purchase; the van will be well used by Pastor Sheldon Guzman and the church in transporting people to hear the Gospel. I was privileged to preach at the church in San Ignacio while we were visiting there.

We have several vehicles that have been donated or are in the process of being donated to Macedonian Missionary Services. These donations will help in the ministry in many different ways, and we would like to thank all of those who have provided these vehicles.

We will be driving a bus from Somerset, Kentucky to New Mexico to be delivered to Missionary Rusty Denny. If you would like to be a part of this delivery scheduled for December 5th-11th, please contact the Macedonian Missionary Office.
