

# Mechanics Coordinator Ricki Boyle

December 2016

As this year come to a close, I think back over 2016 at the way the Lord has guided our steps through all of the challenges we have had. We have had some challenges and obstacles to work through both in the ministry and our person lives throughout 2016. It was a blessing to see God guide us through all of them, and the lessons we learned from praying and handing it over to God.

As I write this newsletter, we are preparing to leave from Somerset, Kentucky to deliver a 25 passenger bus to Brother Rusty Denny and the mission work in New Mexico. Also on this trip we will be delivering a passenger van to Brother Jack Brown and the mission work in Firestone, Colorado. Both of these vehicles have had extensive work done on them at the shop in Acworth, as well as the shop in Nancy, Kentucky. Brother Terry Molden has worked tirelessly over the last year taking on many of these projects, and has helped several missionaries with vehicle repairs. What a blessing he is to have on our mechanic's team. I look forward to reporting to you next month on how these two delivers went.

We have a few more vans that we will be starting work on soon that will be serviced, repaired, and delivered to other mission areas. These vehicles are repaired and delivered to the mission point at no cost to them. Macedonian Missionary Services incurs expenses for parts, pickup and delivery cost, equipment and shop supplies, along with travel to facilitate these projects. Thank you to the many of you whom contribute to these expenses. We pray you will consider contributing to these mission efforts, and consider going with us on a delivery soon. It is a blessing to you and if also lifts the spirits of the missionary on the field with a visit.

Thank you to all of you for your prayers, support and encouragement throughout this year. Lesa and I would like to wish you a Merry Christmas and Happy New Year.

May God bless all of you.

Ricki Boyle  
Macedonian Mechanics Coordinator
