Working with

January 2017

Proverbs 3:27 Withhold not good from them to whom it is due, when it is in the power of thine hand to do it.

This was a great year for the ministry as well as me personally. I believe 2017 will also be a great year. Of course, no one knows what tomorrow may bring but I know God is already there. He alone controls every little thing. I find this comforting because He is in control, I have no need to worry. I look forward with excitement and anticipation. Somebody said don't look back, it's not the direction were going.

I am currently leaving for our building project in Grand Bay, Alabama. It's always an exciting time right before the start of the project. We wonder who will come to help, how many people will there be, will we get some new participants who have not been on a build before, will the host church be happy with our work, will God be glorified with our work ethic and attitude, will there be apple pie for desert? God always makes sure we have exactly who and what we need.

After the project in Alabama, I will be home for a week then off to Mt. Pleasant, Texas for the annual Faith Promise Missions Conference at Nevill's Chapel. Pastor Glenn Griffith and the fine folks there are always a blessing to the visiting missionaries.

In March, will have the builders in Two Grey Hills, New Mexico to erect a metal building for the people there. Pastor Rusty Denny has been planning this build with Brother Ben Brittain for a while. I look forward to it and to our return back to Two Grey Hills in September to work on the interior of the building. I hope some of you who read this will come to help us in March, September, or both.

April will be our annual Macedonian Banquet in Somerset, Ky. We hope that the Mission House is completed and ready for use by then. I especially look forward to this because last Octobers banquet in Florida was canceled due to Hurricane Matthew.

June is our national meeting in Daytona, where I hope to see many of you. July will have us traveling to Tegucigalpa, Honduras to build a new sanctuary and classrooms inside of the current building of Iglesia Bautista Misionera Vida Nueva. Pastor Edgardo Vargas has been a great supporter of the missions throughout Honduras and beyond. Please consider supporting this project prayerfully, physically, and financially.

There are more projects in the planning stages that may become additional work for this year or next. 2017 is shaping up to be busy. Please pray with us for God is already preparing the people's hearts for the work. Won't you partner with us spiritually by praying, physically by helping, and financially by supporting?
