

# MacTrips Director Gary Weidenbach

February 2017

Greetings,

Christmas was great! Had the kids and my parents over to our house on Christmas eve. Family is truly a blessing from the Lord. New Years was a bit difficultly as Pam's last chemo treatment was on 12/30.

But, Praise the Lord, Chemo is over! Praise the Lord, now to move forward. At Pam's last appointment all her numbers were up over the last appointment. We met with the Radiologist the first of February to talk and prepare for the next phase, Radiation. Radiation will last for 6 weeks and be a 5 day a week treatment. But the side effects of radiation are minimal compared to chemo.

This past month has been one of trying to get back to a "normal" life. Pam is slowly getting her strength back and has started to go back to work. One of the highlights of the month was that we were able to spend a couple of days with the grandkids. Logan is now 3 years old and Jackson is quickly coming up on his first birthday.

I was able to begin planning for this next year. We have been invited back to Honduras January 2018 for VBS and camp. I have been invited to Columbia in March 2017, working with Bro. Gage. I will be traveling with Bro. Wiersema of Westwood MBC. While in Columbia we will be doing some teaching and construction. I am slowly planning the rest of 2017 as God directs.

On January 28th I went to Managua Nicaragua for a one week medical campaign with Mt. Hebron Baptist Church, Kentucky. We had 18 people on the team and conducted 4 days of a medical clinic. We saw about 600 patients and were blessed with 24 professions of faith. The weather was great, although a bit windy and dusty at times, but not hot!

See you on the field,  
Gary Weidenbach
