

Building Coordinator Paul Lamb

Working with

February 2017

January was a busy month and full of blessings.

Our building project at The Baptist Chapel in Grand Bay, Alabama was accomplished. Pastor Steve Merrit and the fine folks there were great hosts. I thank them for their friendship and hospitality. The two weeks there were quite busy. We were able to turn the unused education building into a useful fellowship hall. We removed walls and created openings with large LVL (laminated veneer lumber) beams. We were able to save most of the suspended ceilings and repair them. We added the required plumbing to install a new kitchen and a lavatory sink for the nursery. We removed the kitchen cabinets from the old fellowship hall and re-installed them in the new kitchen. Brother Tommy Baker was on hand to make sure the electrical work was completed properly. In addition to all of this, we were able to install approximately 4,500 square feet of ceramic tile. This was a new endeavor for us. I am so thankful for the volunteers that come to help. Without them the work couldn't be accomplished.

I would also like to report that while we were working in Grand Bay, I was invited to preach at Ebenezer Missionary Baptist Church in Wiggins, Mississippi. This was a real honor for me. This church has been an integral part of Macedonian Missionary Service's ministry for some time. The people of this church have participated in many building and medical projects and have been real prayer warriors. I am humbled to call them friends. So when I was invited to preach for them I consider it an honor.

After the project in Grand Bay, some of us went to Acworth, Georgia to attend Hillcrest Baptist Church's annual men's at home retreat. Brother Ben Brittain was our featured speaker and he truly blessed our hearts. What a great time in the Lord. Friday evening was a great wild game dinner. There was music from a bluegrass gospel band and a great challenge from our speaker. The Lord blessed us with a great evening and the next morning was just as moving. I thank Hillcrest for their Men's brotherhood and all they do.

Now it's time to look forward to our upcoming projects. Please pray for us as we travel to New Mexico, Honduras, and many other places.

In His Service,

Paul T. Lamb
