Dear Co-Laborers,

Even though February is the shortest month of the year, there was no shortage of work to be done. We started by driving to Mt. Pleasant, Texas, where we helped in the annual Faith Promise Missions Conference at Nevills Chapel Missionary Baptist Church, where Bro. Glenn Griffith is pastor. There were several missionaries who gave reports, and Bro. Brant Lane preached nightly. The faith promise extended to \$57,000 for the next year. Pastor Griffith said he was expecting several thousand more, and the funds have already started coming in. To God Be the Glory!

The mission house at Evening Shade Park is now completed and is already being occupied. The ladies in the office took a week from their regular duties to complete the home by cleaning it and getting all its furnishings in proper order. They put a lot of hard work into this project. Thank you Kim, Randi Kim and Cortney, for helping to make this home complete. The cost of materials for the building and completely furnishing it was about \$95,000. The balance still owed on it is \$90,000. We have matching funds, dollar-for-dollar, to pay the balance so we only need \$45,000 to pay it off. Please consider asking your church to take part in this project, or join me in giving a special matching gift.

Brant Lane and I, along with two others, are planning to travel to Cuba in the latter part of March, in order to complete the transaction for the property for their Bible school. Please keep us and this project in your prayers.

God Bless,  
Leon Jasper
