Psalm 19:1 The Heavens declare the glory of God; and the firmament sheweth his handiwork.

As we look back over the month of February and consider all that has been accomplished, I am in awe of God's amazing provision.

The first week of February is always a fun time for the Missionaries at Macedonian. We are privileged to be invited to Nevill's Chapel MBC in Mt. Pleasant, Texas for their Annual Faith Promise Missions Conference. Pastor Glenn Griffith and the people there are so kind and gracious. And it is always fun to see our other missionary friends from around the country and around the world. I enjoy hearing what God is doing in each of these ministries. This year I enjoyed hearing from missionaries to the Philippines, Argentina, and others. What a blessing! And good preaching from Brother Brant Lane each evening...wow!

I want to extend a sincere thank you to fellow Macedonian Ricki Boyle. As you know, Ricki is the director of the Mechanics ministry at Macedonian. Right before I left for Texas, my car developed a problem. Ricki was able to diagnose and repair it in short order. This ministry has been a blessing to many. So I don't mind asking for you to help. A truck has been donated to Macedonian for the use of the mechanics and builders in Georgia. The truck required a new driver's door, as well as a goose-neck hitch system to allow us to move trailers for vans and car delivery and pick up. The truck has been gone over completely and all mechanical problems have been repaired. The total cost of this undertaking is approximately \$4500. Please pray about how you or your church can help the mechanics and builders to pay for this work. Thank you in advance for your prayers on this matter.

After the conference at Nevill's Chapel, I had the privilege of speaking at the evening service of Liberty Baptist in McKinney in Texas. Pastor Kevin Clinton and the folks at Liberty are always a joy to visit with. I was also blessed to visit with my brother and my nephew and their families while in the DFW area.

After returning home, I was able to help out a retired pastor with a small project. Then I went to Houston, Texas with Brother David Hardin to pick up a donated truck. What a trip! The decision to go was made Friday at 2pm...by 4 o'clock we were hooked up to the trailer and on our way. We picked up the truck and made it back to Woodstock, Georgia about 2:30am Saturday night/Sunday morning. Like a trooper, Brother David led music that morning at church. Amen!

I want to wish my co-sponsoring Pastor J. C. Patterson the very best. He has retired from the Pastorate of Holly Springs MBC in Star City Arkansas. I pray God's blessings for him as he returns to Oklahoma. I will be going to Oklahoma to attend the organization of Parkview MB Mission to self-supporting church status in April. I hope to see Brother Patterson then.

*****IMPORTANT!** If you are planning to go with us to Tegucigalpa, Honduras in July, you should already have your deposit money in to the office. If not, please do so immediately so the tickets can be purchased. Call me with any questions.

Please continue to pray for Gods guidance on the purchase of a new truck. Mine is nearing the replacement stage, and I need your prayers. It's a huge debt to take on.

Thanks for your prayers and support. God Is Good! All the time!
