Dear Brothers and Sisters,

Matthew 6: 20- But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal. Have you ever given much thought that for Christians there are two baskets. The basket of self and the basket of heaven. Which one is the most full?

The month started out with our family in Newcomb, New Mexico. The Macedonian Builders were asked to help Missionary Rusty Denny and Two Grey Hills Mission put up a new church building. Ben Brittain led in the coordination of the project and did a great job. This was the first metal building of this size that the builders have attempted to put up. The building was 50'x 100' and two stories tall. The Lord blessed!! In about a week, the building was up and the steeple was installed.

We left New Mexico and headed towards Kentucky. Our family had been on the road since Christmas Eve and all were glad to get back home. On the way home we stopped by Mission Home MBC and Pastor Matt Wyatt allowed me to share and preach. The church was such a blessing to us.

Terry Molden who has worked alongside Ricki Boyle in the mechanics ministry for some three or four years opened a new chapter in his ministry. Brother Terry on April 1st will be working with the mechanics in a full time capacity. Please pray for him as he will be at the Macedonian shop in Nancy, Kentucky full time. He also will need to raise support for the ministry and his family. Please consider this need.

This month Macedonian also received two vehicle donations. One was a one ton dodge from Wewoka Oklahoma and another one was a S10 truck from New Mexico. I thank God for the churches and individuals who have shared in this ministry of vehicle donation.

I got a call from Missionary Tony Hansen. He is a missionary to the Ukraine. He was in a Saturn minivan and it had a tremendous amount of miles on it. He was concerned that during his next months of deputation he may encounter a problem. It just so happened, a gentleman in Florida had donated months before a two door Explorer Sport to the mechanics. The truck only had 100,000 miles on it so the mechanics made a trade. He left the van and took the Explorer. This only worked because a man in Florida had a vision to help further the gospel message. To God be the Glory!!!!

The month ended with a trip to Cuba. A team of four went to Cuba to help Iglesia Bautista Nazaret solidify the purchase of a new seminary facility. I enjoyed getting to visit with Pastor Everardo Hernandez Pino and his congregation. The building they bought is beautiful and in a great location. Roney Walker from Ebenezer MBC in Wiggins, Mississippi came with us to measure and draw up the changes that need to be made to the facility in order to better accommodate the sixty plus seminary students. I thank God for those who gave to help purchase this property. I wish many of you could have been there to see the expressions and smiles as their prayers were coming true right before their eyes.

I want to thank Paul Lamb for coming up the end of the month to help me finish a few things at the mission home in Kentucky. We are looking forward to a great banquet in the coming month. One last blessing to share with you. An offering came in to pay off our travel trailer. Thank you Lord of always meeting the needs of your people. Praise His Name!!!!

For His Honor,
Brant Lane
