Working with

April 2017

Dear Co-Laborers,

At the beginning of the month, we at Whetstone Missionary Baptist Church welcomed our new pastor and his family. Brother Daniel Woodcock, his wife, Emily, and daughter, Skylynn, joined our church family. We are happy to have them.

Most of my time at the first of the month was catching up on my work at the office. Brandon Jones is our newest asset at the office. He and his family are such a blessing. In March of 2016, a team of six men, Doctors Hugo Mallozzi, Raymond McAlister, Paul Newcomer, Harold Williams, J. W. Grabeel and I, went to Cuba for a survey trip. We visited Pastor Everardo Hernandez Pino and the Primera Iglesia Bautista Cienfuegos Church.

The Team found the church, which was established in 1887, to be of like faith and order as our churches. The church also had a Bible School with 69 students already enrolled. In order to expand, they needed the school to have its own property. They found a suitable property for the school, and had about 40% of the purchase price. A church in Florida gave the funds needed to finish the purchase. They finally got the paperwork done for the purchase and lease of the property in Cuba. Things have to be done a little different there.

Builders Brant Lane and Roney Walker also joined me in Cuba, and they are now drawing plans for refurbishing the building for the Bible School. Gabriel Pacheco Also went to translate for our team. He was a great blessing in translating for us and acting as our interpreter. Gabriel was with the Medical Team in October. Dr. Raymond McAlister and I also taught the missionary students and preached in two house churches while there with the Medical Team in October. You will be hearing more about the Cuban work in the future. The pastor of the church in Cuba plans to attend the ABA meeting in Orlando.

I accompanied Carole to Georgia to see her doctor at the last of the month. He gave her a good report and then said, "I will see you in three months." Thank you for your prayers and financial support.

God Bless,
 Leon Jasper
