It has been almost a full year since I entered into full-time mission work. Our first stop on the trail back then was a Macedonian Building project at Emmanuel MBC in Bogalusa, LA. In July of this year EMBC held a dedication service for that new building, and I am thankful that the Lord allowed me to be a part of that as well. It was, as it always is, such a joy to be back with these wonderful friends, and to see the completed building being put to use! I was blessed to bring not only my family, but also two young people from my sponsor church with me on this trip; Collin Davis and Ashlynn Stamps. It was nice for us to introduce some of our church family to our friends at EMBC and vice versa, and for them to see the building that we worked on. We also stayed over for Sunday morning services the next day. Collin and I joined in with the choir, I sang a special and Bro. Pete Underwood preached the truth of God's word! After a great time of fellowship and lunch, we drove over to a Wiggins, MS and had evening services with friends at Ebenezer MBC. The Walker family was kind enough to have us in their very cozy home, and we enjoyed a great time of fellowship with Bro. Roney and Sis Charlotte, as well as Bro. and Sis. Seal. Bro. Seal recently became the new pastor of Ebenezer and we enjoyed getting to know he and his wife. Afterward I shared with Collin and Ashlynn that in the work that we do as missionaries, that is where the encouragement happens. We love all of the church services we get to be a part of, but there is something about sitting around someone's table and all of us sharing personal stories of what the Lord has done in our lives that is really special!

Collin also came with me on another project in July. We met up with Jay Weidner and his family (Cornerstone Builders) in Lafayette, LA for a small project at Acadiana Baptist where Jason Hebert is missionary pastor. We added a door in the wall between two rooms which served a couple of purposes, but one thing it did was allow them to create some more space for additional seating. Praise the Lord that they need additional seating!

Toward the end of July, I joined Mike Ryan's MacTrips team in Romania where we are conducting a VBS with Kevin Hutcheson's church in Otopeni. I am in Otopeni even as I write this newsletter, and I am looking forward to next month's newsletter so that I can tell you all about what God has been doing here!

Until then...

God Bless,

Brandon Jones
