

Mechanics Director Ricki Boyle

August 2017

Hello Brothers and Sisters:

It is hard for me to believe that we are quickly moving into the end of summer for this year. School is starting in our area already signaling the coming of fall time soon, but for now summer heat is alive and well in Georgia.

The first part of June I traveled to Michigan for a few days to visit with my dad and help with some family business. Thank you for your prayers for him; he is starting to recover pretty good from his severe brain bleed and stroke he suffered back in September 2016.

Also in the month of June, my wife Lesa and I made the trip to Daytona Beach, Florida to attend the ABA National Meeting. It was good to visit and fellowship with many friends along with meeting new ones at the meetings.

There have been several mission vehicles to work on at the Acworth, Georgia ship along with Bro. Terry Molden at the ship in Nancy, Kentucky.

The first part of July I traveled with the Macedonian Building Team to Tegucigalpa, Honduras. The team which traveled to Honduras included six men from our home church, Hillcrest Baptist Church in Acworth, Georgia. It was a blessing to be a part of the building work in Tegucigalpa. Along with helping build a church area with classrooms there was evangelism work being provided by Brother Mike Ryan and a few others. I was able to spend a little time with them on the streets; the Lord allowed me to lead a lady to the Lord even though I speak no Spanish and her no English. This was accomplished with the help of an interpreter and the Lord; it was a blessing to be a part of.

The last part of July we attended the Georgia State ABA meeting at Poplar Head Baptist Church in Hinesville, Georgia. While attending the meeting I was able to give a report on the Macedonian Mechanic's Ministry along with the Macedonian Missionary Services. I had the honor of preaching the Mission Message at the state meeting.

Thank you all for your prayers and support.

Ricki Boyle
Mechanics Director
