*" Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" **John 11:25-26 KJV***

Dear Brothers and Sisters,

As you read this report, Easter Sunday is approaching in a matter of days. We as Jesus followers and Christians celebrate "Resurrection Day" when our Savior Jesus conquered death and the grave. Our prayer is that during this time when many people are seeking, your church services, Bible studies, and opportunities are given to share the gospel. And you are able to see many souls come to know the risen Christ that we celebrate and know.

The first several days in February I was able to travel to Mt. Pleasant, Texas to attend the Nevill's Chapel Mission Conference. It is always a great time to be recharged and be encouraged to hear what the Lord has been doing through several missionaries. We enjoy the fellowship with the people of Mt. Pleasant and the visiting missionaries that attend the conference. We are blessed through Nevill's Chapel Church as they are big supporters of the Macedonian Mechanics along with Macedonian Missionary Services.

For several days during the month my wife Lesa and I unfortunately battled the flu that kept us in the house, out of working and visiting doctors. We are finally feeling better and getting back to our normal routines.

At the end of the month, Lesa and I took a trip to Snohomish, Washington where our son Dustin and his wife Kara now live. It was the first time for either one of us to visit the Northwest US area. We enjoyed visiting with them and were able to visit the beautiful scenery and sights around the area.

Missionary Ken Sibley stopped by the ship in Acworth, Georgia on his way back from Florida for me to look at a few issues on his vehicle. It is always good to visit with missionaries when we are able. Also work continues at both shops on several van and vehicle projects. We always need funds in the mechanics fund to help with these projects and to help purchase equipment. If you would like to help with any of these projects, please contact us.

God Bless,  
Ricki Boyle
