*"Who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father." **Galatians 1:4 (KJV)***

I have been thinking a lot on this verse of scripture lately. Not only did our Lord Jesus Christ give us forgiveness and salvation, He gave Himself. There can never be a greater gift than this. He paid the price to deliver us from this present evil world and into the eternal world to come.

In the month of March our home church Hillcrest Baptist Church (Acworth, Georgia) had a revival service. Our church is presently blessed with seven (7) men that are preachers. We started the revival services on a Sunday morning, then continued Sunday evening and every evening through Friday with a different preacher from our church bringing the message each evening. What a blessing it was to hear from these men each evening, and I was honored to preach on the final evening of the revival. It was a special blessing for me because two of my aunts and an uncle were in town visiting for a few weeks, and they along with my mother were able to hear me preach God's word for their first time.

March was birthday month....Our granddaughter celebrated her 5th birthday, my mother celebrated her 83rd birthday, and also my aunt celebrated her 80th. We had a lot of fun celebrating with cake and ice cream overload.

In between working on vehicles at the shop, I took a few days to attend the Georgia State meeting where I was able to share the Macedonian Ministries with those who were present at the meeting in Jessup, Georgia. It is always a pleasure to hear the reports from those who are able to attend. We enjoy the fellowship with co-laborers in the ministry.

I spent several hours this month trying to negotiate our mechanic's monthly software subscription to a manageable cost level. We will now have to start paying almost twice the amount we have been paying in the past for the information we use to facilitate all repairs on vehicles. Unfortunately, there are only two software packages and the prices are the same for either package. We will now be paying \$320.00 per month to be able to access this information. We are praying that some individuals and churches will come along side us and help with this expense.

We hope we are able to see and visit with many of you at the upcoming Macedonian Missionary Service Banquet on April 20th in Somerset, Kentucky.

Thank you for your prayers and support.

Brother Ricki Boyle,  
 Mechanic's Director
