Brandon Jones
MacTech Coordinator

working with

May 2018

April 1, 2018 is a day that I will never forget. It is the day that I performed my first baptism....and it was for my daughter, Kaylee! She had come to her mom and me a few nights before at home with questions and wanting to be saved. She prayed that night and asked Jesus to forgive her sins, and I baptized her at the beginning of services the following Sunday night!

Hyde Park hosted the associational Youth Rally on April 14. Incorporating my experiences from mission work, I taught our kids here to sing a Romanian song I learned while serving with Kevin Hutcheson in Otopeni last year, and they performed it at the Youth Rally. Then I invited Bro. Trey Emory, new missionary at Faith Baptist in Sterlington, LA to give a report. After Trey, I introduced the MacTech ministry, hoping that some of the youth at the Rally might have an interest in working with MacTech. Although that did not happen, I was contacted by three of the churches in attendance about developing a website for their church! Amen!

I also put the finishing touches on the new Macedonian Prayer Card design, and completed those for Brant Lane, Paul Lamb, Leon Jasper, Ricki Boyle and Terry Molden.

On April 12 I enjoyed a visit with my good friends at Emmanuel MBC in Bogalusa, LA. They were in revival with Bro. Reggie Tipton preaching, who has just returned from the mission field in Brazil.

I made a quick trip back to Somerset for the Macedonian Kentucky Banquet, leaving West Monroe on a Thursday morning and returning Friday night/Saturday morning. It was truly a blessing to see so many friends; both from Kentucky and those who traveled to be there. It was also a treat to be able to bring together the HPB Publishing ministry of Hyde Park, and Macedonian Missionary Service, with a donation of a set of the Baptist New Testament Commentaries published by HPB to the Macedonian Banquet's Silent Auction. I think they went for \$80 to help Macedonian continue the good work!

While in Somerset, I dropped in on a contact Amanda and I made when we lived there; a waitress we had ministered to on several occasions. In fact, she even came to hear me preach at Mount Olive in Russell Springs once. I dropped in, had a piece of pie, and gave her a small love offering. She had graduated from nursing school the night before, so I told her the gift was not a tip (which she would have to share with the other staff), but rather a graduation present. I pray the Lord will send others behind us to invest in the life of this young lady. We are to go and make disciples! Who will you minister to today? To whom will you be a blessing?

Upon returning from Kentucky, I received a message from a church in South Alabama inviting me to come and present the Macedonian ministry. We are in the process of getting that scheduled now. God is moving. God is blessing. May we remain in His service and in His will!

Thank you for your continued support.

Brandon Jones
