May 2018

Dear Co-Laborers,

Easter came early this year. I reported in my last newsletter that, just after Easter Sunday, Carole went to Georgia to attend some special events with children, grandchildren, and a baby shower for the next expected great grandchild.

While there, she also had an appointment with her oncologist. The visit and all the tests went well. The good news was that the doctor said, "Okay, we will see you at your next appointment."

The Macedonian Banquet is always a highlight in April. Carole and I were privileged to host eight couples from Florida, Georgia, and Mexico at our home. This was a great time of fellowship for us. Many who attended the banquet came from out of town, including the pastor and several others from Hopewell Baptist Church and a bus load from Nevill's Chapel Baptist Church in Mt. Pleasant, Texas. Both are sponsoring churches.

One of the highlights of the banquet for me was the privilege to present Dr. Harold Williams, co-founder and former Chairman of the Board of Directors for 45 years, with a 20 pound, three foot long gavel, as a token of our appreciation for his long tenure of service. His response was that there were times in this 45 year period that he wished he had had a gavel like this to hit some of the Directors over the head. That drew a big laugh from the crowd. The banquet went great, but we missed some of you.

Later in the month, we were saddened to learn of the passing of a Great Soldier and Navajo Code Talker, Dr. Roy Hawthorne. Macedonian has had the privilege of working with Bro. Hawthorne and his church on several projects over the years. We will miss him, but look forward to continue working with the ministry.

We were also able to send a van to be given to a missionary/pastor in south Mexico. Joel and Olga Diaz had attended the banquet and agreed to drive the van back to Mexico and assist in doing the paperwork necessary for the vehicle to cross the border. They also visited a couple of churches in the area, including my home church, and gave a report of their work. They were also able to visit Nevill's Chapel in Mt. Pleasant, Texas, on their way home. Thank you for your prayers, your caring and sharing.

God Bless,
 Leon Jasper
