May 2018

The year continues to move along at a blistering pace. The month of April has come and gone, and spring, or maybe summer has shown up in Georgia.

This month has been spent finishing up most of the mechanical work on the van to be delivered to Benchmark Baptist Fellowship Church in Fredericksburg, Virginia with Pastor Alan Schoeff. I will be working to finish up a few cosmetic repairs and delivering the van to present to the church on June 3rd.

In the mechanic's ministry we have a need for someone that could help us out with work on painting some of the vehicles we are preparing to give to missionaries. We do not have the skill set or equipment to paint vehicles in any way. I know the Lord will provide someone who can help out in this area when needed. Please pray along with us about this need.

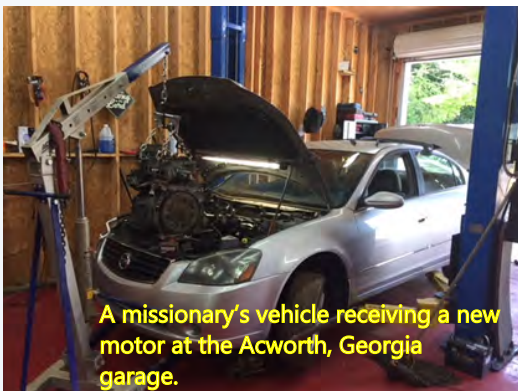

I have made several trips this month to pick up vehicles or equipment that needs repairing. The truck along with the trailer have made trips to Alabama, Florida, Southern Georgia, and Kentucky a few times. It is a blessing to be able to help out the missionaries and churches.

The end of the month my wife, Lesa and myself were able to go up to Somerset, Kentucky to attend the annual Macedonian Missionary Service Banquet. It was great to be a part of the banquet and to be able to fellowship with many of you that we don't get to see often enough. We hope to see many of you at the Florida banquet in October.

We have several project vehicles which are being worked on at both shops. Also we need to constantly purchase new tools and equipment which allows us to make repairs. We ask you to consider making contributions to the Macedonian Mechanics fund along with the Macedonian General Fund that will allow us to continue and grow the ministry.

Thank you for your prayers and support.
