***"For we preach not ourselves, but Christ Jesus the Lord;
and ourselves your servants for Jesus' sake."***

2 Corinthians 4:5

Dear Brothers and Sisters,

The past two months God has truly blessed the Mechanics Ministry! Easter weekend I had the privilege of meeting Missionary Jonathan Morgan, who is preparing to take his wife, Jennifer and their three children to minister in Romania as fulltime missionaries. Jonathan and Jennifer are currently raising support over the next year in preparation for their move. Being in need of an automobile for deputation work, he contacted Macedonian Missionary Service for help. The Macedonian Mechanics Ministry enables people to have a place to donate good used cars, trucks and vans so that they can be inspected and passed on to missionaries just like the Morgan family. Because of a generous donor Macedonian had the privilege to give the Morgan's a 2006 Subaru Tribeca.

The annual Macedonian Missionary Service Kentucky Banquet happened on April 20th. It was such a nice time of fellowship and reflection on the work God is doing through this ministry. The banquet weekend brought many friends. I had the privilege of meeting Olga and Joel Diaz, missionaries to Mexico. While they were in, Macedonian Mechanics Ministry was able to donate a Saturn Relay Van to them for ministry use in Mexico. Thank you to all our supporters who came out to be a part of Kentucky Banquet and the events surrounding it.

The Dexter Main Van Project is almost wrapped up and ready for delivery. When the job is complete the van will have a completely new engine and transmission with a 3 year or 100 thousand mile manufacture warrantee. We have been busy with spring clean-up around the garage. Brother Ricki Boyle and Brother Brant Lane have been helping me clean up and organize the donated vehicles here in Kentucky. Sister Kim Jasper Owens has been working hard in the office to maintain the organization of all the needed paper work, titles and insurance for the shop and vehicles. It's great to have such a good team to work with! If you would like to have a part in the Mechanics Ministry of Macedonian Missionary Service please contact the office at (606)-677-6683 or send tax deductible financial contributions to PO Box 756, Somerset, KY, 42502. Earmark checks Mechanics Ministry.

On a personal note I want to say I am proud of my girls, Kimberly and Carry. While Carry is away at Murry State University, Kimberly is completing her years in High School. They both work so diligently towards their goals. Recently Kimberly was 3rd place for Kentucky National Archery for Southwestern High School. She received a \$1000.00 scholarship for her post-secondary education. The Southwestern High School Archery Team also became KSHAA regional champions. Kimberly was rewarded \$1000.00 for First AG Athlete by Kentucky State Agriculture Commissioner, Ryan Quarles. We are thankful for these blessing. God is so Good!

God Bless,
Terry Molden
