Working with

June 2018

Dear Co-Laborers,

May is a special month, the middle of springtime, when things begin to grow. Lots of people travel to Kentucky to watch the two minute Kentucky Derby Race.

Running a race is a big endeavor, and for us here at Macedonian, the focus is to get the gospel out to the ends of the earth.

Carole and I helped celebrate two special birthdays. Kim's and Randi-Kim's birthdays are at the beginning and end of May, so we celebrate all month long! This year we enjoyed a nice tea party at a local tea room in Somerset.

Carole traveled to Georgia to watch her grandson, Joseph, graduate from Kennesaw State University. She also spent Mother's Day with her children.

While Carole was gone, I took the opportunity to visit Cedar Springs Baptist Church. This is a longtime supporting church and I really enjoyed Sunday school and Worship Services there.

We later traveled up to Bloomington, Indiana, to be with the Macedonian Builders and Brant Lane, as they helped Journey Baptist Church build their new sanctuary. It was truly amazing to watch everyone work. Tom and Charlotte Braddock were also there. Tom will be 92 this fall, and he was seen running the front end loader and building the pulpit for the new building. His son, Jamie, and daughter-in-law, Loraine, were also there. We truly enjoyed our time in Indiana. This is the fourth project in Indiana with Missionary Scott Bourland and his family. While there, Pastor Kevin Pruitt invited me to speak Sunday morning.

At the end of the month, Carole and I went back to Georgia to watch her granddaughter, Cassidy, graduate from High School and attend her grandson, Jude's 8th Grade Graduation. Following graduation, we all went to Panama City Beach for a few days' vacation. May was indeed a blessed month, spent with great family and friends!

God Bless,
Leon Jasper
