June 2018

"As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith." **Galatians 6:10 (KJV)**

I can remember both my grandfather and my father telling me throughout my life that it is never wrong to do good. This verse reminds me that the Lord gives us opportunity to do good unto all men. These opportunities allow us to share the gospel along with God's great love for all. Pray for opportunities to do good for others, and watch how God will bless you.

This month Lesa and I made the road trip to Benchmark Fellowship Church in Fredericksburg, Virginia to deliver the van we have been refurbishing for the church to have and use. We enjoyed being with Brother Alan and Sister Julie Schoeff, along with the congregation of the church. Brother Alan gave me the opportunity to present the work of the Macedonian Mechanics Ministry with the church along with being able to preach God's word. At the end of the services I presented Brother Alan with the keys to the van, and we honestly cannot wait to see how God will use it for His glory in the Fredericksburg community.

While we were in Fredericksburg, we were able to meet Brother Scott and Sister Melissa Webber from Bethel Missionary Baptist Church in Iuka, Mississippi where Brother Scott is the pastor. They were traveling on their way to Canada to celebrate their 25th wedding anniversary. We enjoyed getting to fellowship with them.

Brother Terry Molden is getting the finishing touches done on a van that he has been rebuilding which will be delivered to Brother George Dever in Dexter, Maine very soon. After returning from the ABA National Meeting I will begin work on the next project van. This van will be going to Brother Candelario Espinosa in San Luis Potosi, Mexico Mission Bautista. Brother Espinosa's sponsoring church is FBC of Northern Heights, Pastor Ryan Miller.

We at Macedonian Missionary Services have delivered to missionaries six vehicles since the first of 2018. Praise the Lord! Along with this praise, we have a prayer request...the work leaves a significant negative balance in our mechanics fund along with our van funds. We will continue to move forward with the projects and trust God will provide. If you would like to donate to any of these vehicle projects or if you would like to know more about them, please contact me or the Macedonian office. Thank you in advance for praying along with us about these projects and funds needed to be raised.

Thank you for your prayers and support.

Brother Ricki Boyle,
Mechanic's Director
