## August 2018

In June, I was able to attend the ABA Annual Messenger Meeting in Lexington, KY. It was good to reconnect with many missionaries and pastors, as well as to make new connections. It was also my pleasure to serve as a teller for the first time, and to be invited to sing with the KY State Choir alongside the group from Langdon Street Baptist Church where I had attended while living in Somerset, KY. The highlight for me, though, was having seven others from Hyde Park Baptist church where I am Associate Pastor in attendance. One night I was able to take Addison Lee (age 12) around the exhibit hall and introduce her to many missionaries from around the world. One of the missionaries she met was Bro. Carlos Angulo of Trujillo, Peru. She was amazed to hear of all of the work he is doing and how he has been serving in Peru for 48 years! She loved it and has already said she wants to go again next year.

After the meeting, I worshiped with Eric Sutton and New Home Baptist Church in Wetumpka, AL on Sunday morning and then presented the ministry and preached at Baumhauer Road Baptist Church in Theodore, AL on Sunday night. Special thanks to New Home for allowing me the use of their prophet room on Saturday night, and to both churches for allowing me to visit, for their support and hospitality.

In July I attended the Springhill Association Missions Rally in Arcadia, LA where I and several other missionaries had the opportunity to share the work. This was a well attended meeting with great food, fellowship, singing and preaching!

On July 15th I had the privilege of sharing the ministry with Pastor David Harris and preaching at Temple MBC in Benton, AR. The church truly blessed me with a very generous love offering, and additionally offering to help with any book related expense for my seminary education. I will be beginning seminary at LMBIS on August 13th.

Speaking of seminary, I will be going to Minden, LA on August 7th to meet with the professors who will be teaching the new online courses, and we will begin recording some of the video material for those classes. MacTech and ABA Media teamed up to develop a small studio at LMBIS Seminary for the purpose of these online classes. I think this will be a big benefit to many people!

God Bless,  
Brandon Jones
