***Jesus...Colossians 1:17 tells us He is before all things and by Him all things consist. There is no greater cause to serve because there is no greater Lord! May our lives reflect this truth.***

Dear Brothers and Sisters,

This month has found our family serving the Lord in Washington State. The building project at Valley Landmark MBC in Spokane Valley kicked off on June 30th. We had builders there from Georgia, Florida, Tennessee, Kentucky, Indiana, California, Oklahoma, Idaho, Arkansas and of course Washington. This project was rather multifaceted as the work included demo of the old structure, installing new bathrooms upstairs, adding a brand new kitchen, a new drive under, electric, heat and air, you name it, someone worked on it!! The builders will always remember Valley as the project we had a gigantic cloud of honey bees descend on us one afternoon! It looked just like one of the plaques of the Bible! If you ever wonder if builders have fast reactions we have proof of that they do!! Thank you Pastor Caleb Wood and Valley Landmark Church for inviting the builders and for taking such great care of us. Even after the build was officially over on July 13th our family was still in the area and was able to help further them a little more along.

A few side notes during these weeks.... A thank you goes out to Jon and Kali Budda and their family for allowing several builders to "camp out" at their home. The "Budda" campground was complete with dinners, ice creams, washer and dryer usage, golf cart rides, delicious coffee and more! Also a thank you to Bethel MBC for hosting a builders cookout and being hospitable as well! There is a sweet fellowship between these churches. On July 11 and 12 my family had the privilege of visiting one of our churches in Libby, Montana. What a beautiful town! Pastor Dan Watkins and Landmark MBC allowed me to preach the Wednesday evening of their mission conference. We also looked at a potential opportunity for a future building project. Next, I was able to preach the Friday afternoon message at the Washington State association meeting held at Bethel MBC on July 20 and 21st. It has been a great stay in Washington. Our month will come to a close the last week of July.30 – Aug.2 with me preaching at family camp.

On a personal note, Aubree celebrated her 15th birthday by parasailing over the lake in Coeur d' Alene, Idaho. Where has the time gone?? Our adventurous girl loved her birthday!!!

I want to thank those who have given towards Paul Lamb's Mission Truck Fund. He is still in need of help so please keep praying and considering this opportunity.

Please pray for our family as we travel these next few months. God is always so good to us and we praise him for all His provisions to do His work.

For His Honor,  
 Brant Lane
