**"Withhold not good from them to whom it is due,
 when it is in the power of thine hand to do it." Proverbs 3:27**

I start by telling you that I can say without a doubt that I am blessed beyond all measure. When I left Spokane, Washington back on July 14, I had visited every state in the lower 48 except Oregon. Naturally I had to see Oregon since I was that close. So I drove south from Spokane down through the eastern end of Oregon and into southern Idaho. I spent my first night traveling back east on the banks of the Snake River. I can tell you when God created the world He spent some extra time making the scenery in the western USA some of the best in the world. I also traveled through Utah, Wyoming, Nebraska, Iowa, and on to Missouri. I spent a few days in Missouri visiting with Pastor Jack Slay and the fine folks at Landmark MBC in Smithville, MO. While I was there I installed a 50amp RV outlet so visitors have a place to hook up when passing through. I was also privileged to meet some new friends and see some old friends at the ordination of Brother Jack Slay. It was a very nice day and I was honored to be a very small part. I congratulate Pastor Jack and pray Gods richest blessings on him and the work there in Smithville, MO. While I was there I went to Des Moines, Iowa to see my niece Shari. It was great to catch up on all that we've been doing since we last saw each other about 15 years ago. Wow!

I left Missouri Saturday evening and arrived in Somerset, KY Sunday afternoon. Monday morning I dropped my travel trailer off to be repaired. You may remember I damaged it on the way to Washington back in June. I will pick it up on my way to West Virginia for our build at Maplewood MBC September 1-14. So after five weeks on the road I returned home on July 23. There's no place like home and the feeling it gives. I was home four days and went to NYC for a weekend of baseball. I took in the Statue of Liberty and Ellis Island, the Sept 11th Memorial and a game at Yankee Stadium. Then to Cooperstown to witness the induction ceremonies to the Baseball Hall of Fame. I am truly blessed beyond words. Now I am home and plan to be for most of the month of August. Please pray that all of the things on my honey-do-list can be completed before I take off for my next adventure.

I want to give a big thanks to Ricki Boyle and the Macedonian Mechanics Ministry. Ricki was kind enough to let me use the Mechanics Ministry truck for my trip to Washington and back. And I also used it for our trip to Indiana earlier this year. It's a good truck and is meticulously maintained by the best in the business. But when I have it, the mechanics ministry must do without. And I regret to say I am returning it with a transmission issue to be repaired. Please consider how you can help us to repair this truck.

I want to say thanks to those who have helped out on our fundraising for a new Ministry Truck for me to use. We are at about 20% of our goal of \$50,000. Those that have helped have really blessed my heart. Please pray about how you could help with this ministry. Mark any donations to Macedonian Missionary Service – Paul Lamb truck fund.

Don't forget there are several more projects to look forward to for this year. Lord willing, we will be at Maplewood Baptist Church in Martinsburg, West Virginia September 1-15, 2018. Then we also plan to be at New Home Baptist Church south of Pine Bluff, Arkansas October 27-November 10, 2018. And between these projects there will be missions conferences, assist with a mission house in Texas, and our Macedonian Fall Banquet on October 5, in Polk City, Florida...I hope to see you there. Pray for safety, and a new ministry truck.

God Bless,
 Paul Lamb
