Psalm 46:10 (KJV) Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

Brothers and Sisters in Christ,

As we go about the busy and sometimes overwhelming days that the Lord allows us to serve Him, it is easy to get off track and frustrated with what may seem like insurmountable task and schedules. Sometimes we need to be still and allow God to minister to us and direct our paths and ways during these times.

I have spent a lot of time this past month coordinating vehicle pick-ups and scheduling some future deliveries. I am so thankful to all the ladies in the Macedonian offices that carry the task of handling all of the paperwork and details for us as we work together in the Macedonian Ministry. There is so much behind the ministries they take care of for us. What a blessing they are to all whose paths they cross.

Time was spent this month researching and getting the best value on some of the new equipment we will be installing in the two shops (Acworth, GA and Nancy, KY). Much of the equipment is on order and will be arriving soon. I look forward to sharing pictures of it being used or better yet, stop by one of the shops and see it in action.

I will be traveling up to Kentucky several days this month to help out Brother Terry with a few projects. We will be putting the finishing touches on the van which will be delivered to Dexter, Maine to Brother George Dever at Antioch Missionary Baptist Church the week of September 12th-16th. Make plans to go with us!

While in Kentucky at the shop I will be installing a new engine in a van we are repairing for Brother Candelario Espinosa in San Luis Potosi Mexcio Mission Bautista. We will then get to a shop to be completely repainted after that we will service the rest of the mechanical systems along with new tires, windshield, etc for delivery by the end of this year. This project is expected to cost \$ 6, 000-\$ 7,000 to complete. We have stepped out in faith and are going ahead with the project. We will watch the Lord provide. If you would like to be a part of this project, or know more please contact us or sponsoring church Pastor Ryan Miller, FBC Northern heights, Kansas City, MO.

Thank you for your prayers and support,
Brother Ricki Boyle
Macedonian Mechanic's Director
