Mechanics Cordinator

working with

August 2018

The past couple of months have been very busy for us. We were blessed to attend the national ABA meeting in Lexington, Kentucky. I always enjoy meeting new people, the services and fellowship at the National Meeting. July 21st me and my two daughters, Kimberly and Carrie, set out towards Washington State pulling a trailer for the Macedonian Building Project at Valley Landmark MBC in Spokane. This was the first time my daughters we able to go on a building trip. We all enjoyed seeing Gods creation and handiwork on our way to the project.

While traveling I received great encouragement from the Macedonian Office regarding my ministry fund. Thank you Nevil's Chapel MBC of Mt Pleasant, Texas for supporting my ministry fund monthly! What a blessing and answered prayer! You all are a tremendous blessing to Macedonian Missionary Service and to my family as well.

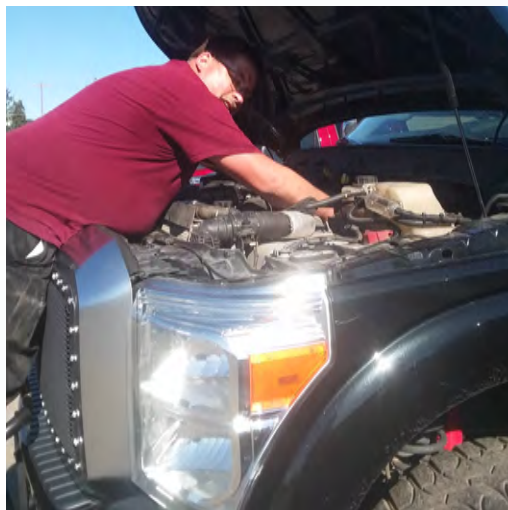

The building project went well and we were able to accomplish a great deal of work at Valley Landmark MBC. We enjoyed the hospitality of Brother Caleb Woods and the Congregation. God has truly blessed us with so many new friends through His work.

I was also able to work on Brother Ryan Buddha's Ford F350. There were some extensive repairs done to the vehicle. I am thankful for the opportunity to help!

On July 14th we left Spokane and traveled through Yellow Stone National Park. We were blessed to see so many new sights along the way.

After arriving back home on the 17th I met with a man interested in Macedonians Massey Ferguson Tractor. Brother Leon and I were able to secure the donation for the tractor. The donation will go words the debt of the Mission House. The donation for the tractor was 200.00 above what we thought it would be. I am so thankful for Gods many blessings that He allows us to be a part of.

God Bless,
Terry Molden
