Proverbs 37:4 reminds us that if we delight ourselves in the Lord, He will be faithful to give us the desires of our heart.

The month began with church camp ending in Washington State. It was such a blessing to see many come to Christ. My son Austin was one of them that decided to nail down his salvation. Praise the Lord as this is definitely a desire of this dad's heart! I have had the privilege of leading three of my four kids to the Lord and I'm so thankful God afforded this to me. Their mother gets all the credit because she so faithfully teaches them about Jesus Christ, as the kids' first subject every day is Bible. It makes a difference...

On August 5th we arrived in Clarksville, Texas. Pastor Tommy Horn and the church invited us to help in their revival meeting. God was good and the fellowship was sweet. Thanks goes out to Brother Craig and Sister Frances and the other members of Hopewell who spent many hours blessing our kids with trips to a petting zoo, museum, the lake, horseback riding and just lots of fun time!! Please pray for Pastor Tommy as he has had some health difficulties.

While in Clarksville I had a chance to meet Austin Chapel's Pastor Justin Colburn. Austin Chapel is the sponsoring church for George Cormos, missionary to Romania. We are in the infancy of a building project possibly in September 2019. While in Clarksville, I also had a chance to help New Haven MBC one day with a little framing. It was great work and fellowship. I also got to meet with Steve Courageous from Big Tex Trailers. This company has been such a blessing to the Macedonian Ministry for so many years. It was great to catch up with him and thank him for all they do.

We headed back home on Monday the 13th to Kentucky. While home for nine days I got to share a mission report and preach at White Oak BC, my sponsoring church and was able to finalize many of the details for the New Home MBC project coming up in Arkansas. We got a letter of request from Pastor Dan Watkins and Landmark MBC in Libby, Montana and have started a plan design for them and will be looking to put a project together.

On the 23rd we headed to Georgia to celebrate my dad's 70th and Alex's 13th birthdays. It was a great time with our family. I am thankful for a godly father who raised me right and a son who is following after his granddad...

On the 26th, I preached at Faith MBC in Cedartown, Georgia. Pastor Danny Tucker and the church sent a special love offering this month. Thank you so much for all you do for our family, your help came at just the right time. our next project at Maplewood MBC. To end the month up...we headed to West Virginia to

Please continue to pray and consider helping Brother Paul Lamb as he raises funds for a new ministry vehicle. He needs to raise about fifty thousand for the truck he needs. A big thanks goes out to AMEN ministry!! This ministry helps missionaries who homeschool with their homeschool expenses. Their help greatly reduced the burden of our homeschool expenses. Please be in prayer for my travel fund expenses. I know the Lord knows what it takes to do what we do and I know He will provide.

For His Honor,
 Brant
