Points Of Interest

We have an amazing God! Sometimes we forget he is involved in every little part of our lives. We have been reminded of that many times over the last three months. We are slowly finding our new "normal routine" without my mom. I don't want to think about how much more difficult this would have been without our faith and trust in the Lord.

Erika and I will be at Maplewood Baptist Church in Martinsburg, West Virginia September 1 – 9th with Mac-Builders. We will be helping them add a multi-purpose building to their church. The first week of the build will also be a revival every evening. I am preaching on Monday of that week. We love being a part of the Lord's work. We enjoy the fellowship with our Macedonian friends and family just as much.

My wife and I are already planning on being a part of the Medical trip to Peru in November of 2019. If anyone is interested, I am organizing an evangelism team for this trip. We will be sharing Christ with everyone while they are waiting to see a medical professional. These are always rewarding trips to go on. You do not need any medical training to be a part of the team. We just need willing hands and hearts. There is always plenty for everyone to do.

As always, we can't thank you enough for your prayers and support. The Lord has blessed us beyond measure with His faithful, prayer warriors. We feel the power of your prayers daily and it is overwhelming to know you support us in our work for Christ.

In His name,
 Michael Ryan
