***"But thanks be to God, which giveth us the victory through our Lord Jesus Christ. Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." 1 Corinthians 15:57-58***

The year of 2018 was a very busy one for Macedonian Missionary Service. In January, we gave a church bus to Brandon Rutherford, who has a skateboard ministry in Florida. I was also blessed to attend the Missions Conference at Nevill's Chapel Missionary Baptist Church in Mt. Pleasant, Texas.

In February, I traveled with the Builders to Mante City, Mexico, to construct a church building where Bro. Raimondo Rubles is the pastor.

In March, we were able to give a Subaru Tribeca to Jonathan and Jennifer Morgan, for their missionary deputation travels.

I was privileged to attend the Macedonian Missionary Service Banquet in Somerset, Kentucky, in April. It's always good to fellowship with old friends and to meet new ones for the first time.

In May, my youngest daughter, Kimberly, graduated from high school. In the month of June, my daughter, Carrie, and I attended the National American Baptist Association Conference in Lexington, Kentucky. We got home on Wednesday night, and on Thursday morning, we left again, headed for Spokane, Washington, to deliver the tool trailer to the building project at Valley Landmark Missionary Baptist Church. After the project was completed, we took the scenic route through Yellowstone National Park. This was the first time I had been able to take my daughters on a building trip. They really enjoyed the travel and the building projects. We returned back home in July.

In August, Art McLin and I traveled to Milton, Florida, to pick up the machine shop equipment that was donated by Bro. Glenn Davenport and his wife. The next week, we left to pick up a church van at New Hope Baptist Church in Northwest Arkansas.

In September, Bro. Ricki Boyle, his wife Lesa, and I delivered the 1992 Dodge van to Antioch Missionary Baptist Church in Dexter, Maine, where Bro. George Dever is the pastor.

In October, my friend, Melissa, and I traveled to New Hope Baptist Church in Pine Bluff, Arkansas, to drop off the tool trailer for the building project there.

In early November, we traveled back to New Hope Baptist Church in Pine Bluff, Arkansas, to pick up the tool trailer, after the building project there. My mother and I were blessed to attend the Macedonian Missionary Service Banquet at Bay Lake Baptist Church in Lakeland, Florida.

On November 16th, I was blessed to marry my best friend, Melissa. We were honored to have Bro. Leon Jasper to perform the ceremony. Thanksgiving and Christmas were spent fellowshiping with family and friends. I am so thankful for the support of my sponsoring churches, Piney Grove BC and Nevill's Chapel BC. I also am thankful for all the churches, individuals and families that shared in the ministry this past year.

Currently, we are waiting to get the 2000 Chevrolet church van out of the body shop, where it is receiving a new coat of paint. It will be going to San Luis, Patois, where Bro. Conde Espinosa is the missionary pastor. Please continue to remember this project in your prayers, as we raise funds for the repairs on the van.

God Bless,  
 Terry Molden
