Dear Brothers and Sisters,

Psalm 2:11- Serve the Lord with fear, and rejoice with trembling. This is a verse that really moves me. To serve the Lord out of duty is one thing, but to serve him out of fear is His thing. I know He controls everything in the world and my life. I'm afraid of what would happen in my life if I choose not to serve Him. So, out of fear (a Godly respect) I serve Him. I know you serve Him for the same reason.

This month I was scheduled to go to Cuba to teach for a week. Well, God had a different idea. I came down with something on New Year's Day and it was better for me to stay home. I try not to question the Lord. He knows best. It did allow me time at the office to finish up a few things for the year.

I had the privilege of going to Hopewell Baptist Church in Cunningham, Tennessee to preach and share the mission work. Hopewell is a sponsoring church for Macedonian Missionary Service and we are grateful for all the things they do to help in the ministry. I preached on Sunday the 13th and 27th. Please pray for them as they seek God's will for a new pastor.

We were also able to get a couple of building projects finalized for the upcoming year. On May 4th-11th we will be working at Victory Baptist Church in Somerset. This will fall a week after our banquet in Kentucky. I pray many of you will come to the banquet and then stay for the project. Paul Lamb has put a project together for July. We will be helping a church in Arkansas on July 6-20 in Fordyce. There are letters coming out on both these projects. The Oklahoma project still has a few details to work out but we hope to have it in November of this year.

I received a call from Brother Tommy Burrus at Emmaus Baptist College in Brandon, Florida. The school had some water damage to a couple of apartments and needed some help to repair it. Paul Lamb graciously went to look at the project and then contacted Brother Ben Brittian associate pastor of Bay Lake MBC in Groveland, Florida about heading this project up with some more Florida churches. If you are in the area and would like to know more on how to help please give me a call.

I have been working to update our Macedonian brochure for the ministry. I appreciate Brandon Jones who has been a great asset with this endeavor. He is working to put the information together in a more updated fashion and the new brochures should be out in the coming month.

I have a survey trip planned to Romania in April. Missionary Gheorghe Cormos has asked Macedonian to come over and help. We will be looking at the land he has bought, and with the help of David Schneck, we will work to design him a new building plan.

John Boone, a Macedonian Builder also went this month to look at a project in Dearborn, Michigan for the builders. He graciously took pictures for me so we can see exactly what needs to be done at the church. This project is small and hopefully we can schedule it for this year.

Austin had his ninth birthday this month! Where does the time go? He is such a fine gentleman and I am very proud of him and how he serves the Lord.

Please pray for this coming year. Pray for traveling mercies, that we can win people to the Lord and that we can help the missionaries and churches in need. I also would like you to pray for our travel fund. I had some work done on the travel trailer this month that cost \$4600.00. Pray God will give me ways to reduce these expenses.

For His Honor,
 Brant Lane
