Announcing the Building Project of Providence Landmark Missionary Baptist Church Fordyce, Arkansas- July 6-20, 2019

The Macedonian Call has gone out! The Macedonian Builders are looking forward to a great project in Fordyce, Arkansas. Pastor Brian Caldwell and Providence Landmark Missionary Baptist Church have invited the builders to assist with the construction of their new church building. Lord willing, the new building will be up and ready for the interior framing when the builders arrive... We are excited to help out! The dates for Macedonian Building Project are **July 6-20, 2019**. The weather should be warm and enjoyable.

The address for the build will be 18500 North US 167. Fordyce, Arkansas 71742. Fordyce is at the crossroads of US ROUTE 167 and US ROUTE 79 in Dallas County, Arkansas. Fordyce is about 43 miles southwest of Pine Bluff, Arkansas on US ROUTE 79. The population is around 4300 ... until the builders show up!

Providence LMBC was founded around 1900 and relocated a little closer to town around 1955. The church building burned in September of 2018 and the people have been meeting in the Bearden Community Center. The new property is in a great location and the Church is excited to begin construction. Our plan is to assist with all interior framing, and rough-ins for electrical, HVAC, ETC.
