Dear Co-Laborers,

In early February, Carole and I, along with the other Macedonian Team, were with Nevill's Chapel Baptist Church (our co-endorsing church) and her pastor, Bro. Glen Griffith, in Mt. Pleasant, Texas, for their annual Faith Promise Missions Conference. We enjoyed the reports of all the missionaries, the literature, and printing ministry of the ABA and report and visit to TBI in Henderson. The church's faith showed a substantial increase by their new commitments.

If you remember seven years ago there was a young Mongolian boy who visited one of our MacMed clinics in Mongolia. The doctors said he needed lifesaving treatment and he needed it fast. We were able to help the family to get to St. Jude's Children's Hospital in Memphis Tennessee. It was reported that when Munkhuush got to Memphis almost seven years ago, he had only hours to live without treatment.

I received a thank you card recently from Munkhuush and his family, it brought tears of joy. I feel that the "thank you" did not all belong to me, but that they were saying thanks to all the souls that have made Macedonian ministries what they are today. I extend this thank you message to each person who has ever worked with or supported Macedonian Missionary Service in any way.

Today, through answered prayers and the great medical attention he received, the treatment worked. Now he is reported as cancer free. He is now in Memphis, getting treatment for his eyes, but doing well. On behalf of Macedonian, I say thanks to all of you who have had a part. God Bless.

As you are reading this letter I am in Kenya, East Africa with Brother Ernie Hopper. Next month I plan to report on the official MacMed medical trip in South Sudan and the sawmill that has been purchased for Kenya, East Africa.

God Bless,
Leon Jasper
