**March 2019**

Dear Brothers and Sisters,

We started off the month of February at Hillcrest Baptist Church in Acworth, Georgia taking part in the Super Bowl Outreach Bible Project. Several thousand copies of John & Romans New Testaments were passed out by many who came from all over the country to participate. It was good to see many of our friends who were able to come and help with the project.

Lesla and I then headed to Mt. Pleasant, Texas to be part of the Faith Promise Missions Conference held at Nevill's Chapel Baptist Church. We always look forward to attending their Mission Conference every February. The people at Nevill's Chapel are a great encouragement to us and the Macedonian Ministries along with being a supporting church of the Macedonian Missionary Services and Macedonian Mechanic's Ministry. We developed some good friendships with many of the folks at Nevill's Chapel and appreciate them all. While at Nevill's Chapel the Mattingly family needed a little help with repairs on one of their trucks. Brother Bryan Williamson, who is a member at Nevill's Chapel and a talented mechanic, was able to help us out by performing these repairs. We are excited to see how the Lord uses Brother Bryan and blesses him. Brother Bryan is a blessing to the Mechanic's Ministry always willing to help when needed.

I celebrated my 60th birthday on February 18th. My granddaughter Emma along with our bonus daughter Alicia and Lesla made sure we celebrated with a mini surprise birthday celebration. We celebrated with family and friends with lots of balloons, pizza, and cake.

As I mentioned over the last few months we have been preparing a 12 passenger van for Brother Candelario Espinosa in San Luis Potosi Mexico. We were planning on delivering the van very soon and unfortunately, that door has been closed. The Mexican government has stopped allowing into the country vans that are not newer than the year model of 2010. In November of this year (2019) the model year allowed will change to 2011 or newer. Even on these newer models that will be allowed into the county they will have about a \$ 3000.00 registration fee. We had planned on taking 2 other vans and vehicles into Mexico, but these new regulations which have bented will halt these deliveries to be made anytime in the near future.

Brother Candelario's sponsoring church First Baptist church of Northern Height's, Kansas City, Missouri, Pastor Ryan Miller, and myself have decided it would be best to raise funds to purchase a van for his needs in Mexico. Any funds given through Macedonian Missionary Service to the van project for Brother Candelario will be used in the fund raising for the van to be purchased in Mexico. Anyone wanting to give to the van purchase can send funds to Macedonian Missionary Services earmarked Mexico van purchase-Candlarrio Espinosa.

We know the Lord has a home for the 2000 Chevy 12 passenger van we have been preparing to go to Mexico. The van has a new engine, all new under hood parts, new paint job, coolant system, A/C, brakes, running gear, and will be fitted with new tires and new windshield. With all of the work which will be completed on this van if does leave us with a deficit of about \$ 7,000.00-\$ 7,500.00. We are praying for the Lord to show us which missionary could use a van just as this. We ask you pray with us about raising these funds.

Please contact us with any questions. Thank you for your prayers and support.

Brother Ricki Boyle  
Mechanic's Director
