

From the desk of

Missionary Terry Molden

Mechanics Coordinator

working with

August 2019

Psalm 48:1

Great is he Lord and greatly to be praised in the city of our God, in the mountain of his holiness.

As these very hot months begin to wind down, we want to catch everyone up on our busy but blessed Summer. After the ABA Conference I was able to help Bro. John Strader, missionary to Kenya, on his A/C that wasn't staying cool. Bro. Strader is in the states while he is on his deputation.

I had some last minute repairs on a 2000 Chevy which is now completed and at the clean up shop. I believe it is going to a missionary in Texas. I have also been working on a 1992 Ford Van which is slated to go to Bro. Jack Slay in Missouri. Please be in prayer for both these vans as they go to help further God's kingdom.

God opened an opportunity for me to speak at White Lilly Baptist Church about the mechanics mission and bring the evening message. Melissa and Katelyn brought the special music for the evening. We are very thankful to Bro. David Harmon for having us.

God has also allowed us to get a travel trailer that will assist us in an area of service that has been on our hearts. Having this will be a big help in participating in future building trips. We are excited to see how God uses us in this area.

Our daughter Kimberly will be starting back to Murray State in a couple of weeks as a Sophomore and Carrie will finish this semester at Murray by graduating with a Bachelor Degree in Agro Science Technology. Also our daughter Kasey will start graduate school at Northern KY University this fall. Pray for us as we get our youngest girls moved to new places and new dorms.

We spent these last days before school starts "trying out" camping with the kids. Unfortunately we have not mastered many people in a small space just yet, however we are improving

May God Bless each of you on the rest of your summer and thank you for your support. Please keep us in your prayers as we strive to serve the Lord together.

Yours in Christ,
Terry and Melissa Molden
