Dear Brothers and Sisters,

The month of August came and is now in the history books. Our family started out in Georgia visiting Faith MBC in Cedartown, Georgia. Pastor Danny Tucker and the church are such great friends and supporters of Macedonian Missionary Service. It was a great Sunday morning with them as I got the chance to share the work and preach the Gospel.

The next week was spent in Albany, Georgia visiting my grandmother. My grandmother is a young 89 years old and had some medical issues that came up all of the sudden. My family got to spend three days with her while she was in the hospital. Please continue to pray for her recovery. From Albany to Clarksville, Texas to help Hopewell MBC was our next appointment. I appreciate Pastor Paul Farmer and the church for allowing me to help them in this meeting. The meeting was attended well and many decisions were made in the week. Praise the Lord!!!

While in Texas I got a chance to visit Austin Chapel in De Kalb, Texas. Pastor Justin Colburn and the church are working with Macedonian Missionary Service on a building project for their missionary Gheorghe Cormos in Northwest Romania. It was a great time to share the work and encourage the church to come and help in June 2020 when we got to help them build. Once the revival meeting was over our family headed to Tennessee to preach at Hopewell BC in Cunningham, Tennessee. Pastor Gary Wilson was going to be away and had asked if I would fill in for him. It was a great time of fellowship and an encouragement to our family as Hopewell is a sponsoring church for Macedonian Missionary Service.

We did hit a few bumps in the road but they were at our home. We got home to an A/C that had leaked through the master bed and bath ceiling. Our truck had a mechanical issue and the trailer frame broke on the way home too. God is so good!!! He got all this fixed and we are ready to hit the road again at the beginning of September.

Prayer Request

1. **The Mexico building trip for October got cancelled due to violence in the area. The Missionary has already put a local team together to complete the work. Pray for safety.**
2. **Praise- \$10,000 offering has come in for the spray foam machine. We are only \$30,000 away from being able to purchase a new machine. Please pray as just last month the old machine saved a church \$20,000.**
3. **Praise- Radio Ministry- it is in need of funding- we are praying for the last four stations to be funded. Some special offerings have come in to help. June Balance was (-40,059.12) the end of August the balance is (-30539.60) Praise the Lord!!! Keep praying. This ministry is vital.**
4. **Michelle and Aubree- will be leaving on a trip to Brazil in October. Continue to pray for the team and their safety.**
5. **Macedonian builders are still in need of plumbers- if you want to do mission work this may be a great opportunity. Please pray for God to send plumbers on the projects.**

 Brant Lane
