Macedonian  
Missionary Service™

Serving Worldwide Since 1973

## October 2019

Since my last report the Lord has blessed me with many opportunities to serve Him. I was able to give an update of the Macedonian work and preach on a Sunday morning at White Rock MBC in Center, Texas. White Rock is where I grew up, and it was good to see so many friends and family and to share with them what the Lord is doing through this ministry. They have supported us from the beginning, and I am thankful.

I also enjoyed the opportunity to preach the first night of revival services at Eastside MBC in Minden, Louisiana. We had a very sweet service, and I have had some texts and calls from people sharing how the Lord used the message to make a difference in their spiritual walk. I don't know about you, but I call that revival. I'm grateful that the Lord allowed me to be a part of it.

Our church hosted a Faith Promise Missions Conference the last week of September. Bro. Jerry Chandler preached the meeting, and we hosted missionaries, Mike Jones (Fayetteville, NC), Trey Emory (Sterlington, LA) and Cande Espinosa (San Luis Potosi, Mexico). Bro. Cande and Sis. Paulina stayed with us in our home, and what a blessing they were. Cande and I met when I joined the Macedonian Builders on a building project in San Luis Potosi in 2016. That work organized in July, and Cande is starting a new ministry called Missionary Confidence. This is a teaching ministry in which he provides training to other missionaries and pastors in Mexico in the ABA Doctrine, Personal Evangelism, Administration (money, time, reporting, etc). If you are looking for a work to support, his sponsoring church is First Baptist Church of Northern Heights in Kansas City, MO, if you would like more information.

MacTech is staying busy as well. Bro. Alan Schoeff surprised his wife, Julie, with a new website for her ministry, Eyes on Christ. I have also built a new site for Texas Mission Builders, and have one in the works for Emmaus Baptist Fellowship in Longview, TX. I have replaced computers at LMBIS Seminary, and October 8-9 I will be on-site at Nevills Chapel in Mt Pleasant, TX to help them with an IT project as well. Last night I received a call from a church in Benton, AR also requesting my help and we may be scheduling a trip soon.

Please pray for this ministry, and for our support to increase. Since the foundation of this ministry in 2016, we have trusted God to provide for our needs, and He has been faithful to sustain us. We trust in faith that He will continue as He has promised to do.

Brandon Jones
