November 2019

***Hebrews 4:14- Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession.***

Dear Brothers and Sisters,

This month had a couple of firsts in it for our family. Michelle and Aubree went on a mission trip to help missionary Jay Ross in Brazil from October 4-14. This was the first foreign trip for Aubree. I want to say a special thanks to those who helped my two girls go on this mission trip. It was also a first for dad to stay at home with the three boys for ten days. Let's just say I have a new perspective on what goes on at home while I'm away on the mission field. All three boys survived but they were extremely happy when mom and sister returned home. The mission trip was a success as the team helped the missionary with VBS and other activities with their school and church.

They returned home on the 14th and we packed up to head to Wauchula, Florida to pay our respects to a dear friend, Tom Braddock. Tom was a true friend to so many and helped so much in the work of Macedonian Missionary Service. He will be missed by the builders, but his love for serving the Lord will always be in our hearts and mind.

On October 20th I had the opportunity to be a part of Solida Baptist Church Mission Sunday in South Point, Ohio. They had us in to preach about missions and faith promise giving. I appreciate pastor Arron Childers and the church for giving us this great opportunity.

The following Monday our family started out for Two Grey Hills, New Mexico to help missionary Rusty Denny. We arrived on Saturday and begin preparatory work on the drop ceiling. The builders have a project scheduled for November 9-23 to finish the HVAC, electrical, and plumbing trims. I did get the privilege of preaching on Sunday the 27th at Two Grey Hills. Please remember Missionary Rusty Denny as he has been battling health issues.

**Prayers and Praises**

1. Praise- This month the builders received another donation towards the spray foam machine. That brings the total donated to \$20,000. We are half way to the goal of \$40,000. Thanks so much for those who have given.
2. Praise- The office needed to have its computers updated. This was a cost we were not anticipating for this year. Praise the Lord for those who gave to cover these expenses. This year the cost to upgrade computers and to purchase a new copier has all been covered. God Bless. Thanks so much.
3. Prayer- Macedonian builders are always looking for those who may want to serve in the building projects. Please pray that God will provide plumbers, electricians and Heating and Air to help with the growing demand.
4. Pray- For workers for next year projects in Oklahoma, Kentucky and Romania
5. Pray- Builders are working on plans for a chapel at the Delta Unit Prison in Southeast Arkansas

For His Honor,  
 Brant Lane
