

Builders Romania

May 15-30, 2020

Dear Brothers and Sisters, ,

Romanian Missionary George Cormos and Austin Chapel MBC, in DeKalb, Texas, where Justin Coburn is pastor, have invited the Macedonian Builders Team to come to Romania, in Eastern Europe. Brother Cormos, his wife, Mia, and the mission work in the area of Sacalasa in Jud Bihor, Romania, are looking forward to working with MacMed. The Team will fly to Budapest, Hungary, and then travel by bus or vans to Romania. The date for this medical mission journey is May 15-30, 2020. We are thankful to have been invited to “come over and help” in Romania.

The Team will be building a Sanctuary and class rooms. All types of building professionals will be needed for the project: Block Layers, Electricians, Framers, and Plumbers and anyone willing to help; non-builders are needed too. Please pray with us for willing workers to go over and help.

Please pray with us that many will come to know Jesus as their personal Savior as a result of this Building Project. Pray for the Bro. Cormos and Mia the church as they prepare for the team to arrive. Pray as the LORD lays upon the hearts of willing workers to go serve the people of Romania. Pray for safe travel and for the Team’s finances and for the Builder’s Fund.

The date is set for May 15-30, 2020 (West Coast Leaving 14-30), and the estimated cost donation for this trip is \$2500.00 per individual. Your donation towards this trip will cover your personal airfare, lodging, food, and van/bus transportation while in Romania, sightseeing fees, and airport taxes. Please send your deposit/funds as soon as possible, in order for us to purchase your airfare. You will need to fill out the form on the reverse and mail it to us with your deposit donation. If you have already sent in a deposit, you also need to fill out the form and mail it back to us. Please see reverse for cost and donation schedule. Your donation will go **100%** towards the cost of putting the Building Project together, which will include your airfare and care while there. Thank you for supporting and being a part of the Builder’s Teams. We look forward to hearing from you soon.
