Announcing the Building Project of **Mission Home Missionary Baptist Church** Wewoka, Oklahoma March 7-21, 2020

Dear Brothers and Sisters,

Mission Home Missionary Baptist Church has been preaching the gospel for over a 100 years! They bought their current building in the 1960's and converted it from a grade school to a church building. Pastor Matt Wyatt says, "We believe God has commissioned us to build this new facility to give the next generation a start at preaching the gospel for the next 100 years."

The new construction will serve as a sanctuary. The structure will be metal sided. We will be working on interior framing and rough end electrical. We will need all types of trades such as carpenters, concrete workers, plumbers, electricians and anyone who has a heart to serve in this project.

Please be in prayer about this upcoming project and mission opportunity. We look forward to seeing you at this build. Below is information regarding accommodations for the project. If you have further questions please feel free to contact Brant Lane (770) 861-5566, Paul Lamb (770) 855-8437 or the Kentucky office (606) 677-6683.
