

From the desk of

Missionary
Brandon Jones
MacTech Coordinator

working with

January 2020

I hope you had a Merry Christmas. Amanda, the kids, and I were able to spend a few days in Texas with our families. Christmas came and went quickly this year, it seemed.

I have been making plans for the upcoming MacTech project at Landmark MBC in Waco, Texas. I will be installing a new camera, online streaming device, HDMI splitter and two televisions (one in the nursery and one in the foyer.) All of the equipment has been ordered. I will do some pre-programming here, so that when I arrive on-site we can get up-and-running as quickly as possible. When complete, their nursery workers will be able to watch a live feed of the services in the nursery, and those who are unable to attend will be able to live stream the services on the Landmark MBC YouTube channel. The YouTube channel will also be embedded into their website for an archive of services that can be watched at any time.

On my way back from Waco, I will make a stop in Tyler, Texas at Heritage MBC. I have never met the folks there in person, but they began supporting the MacTech ministry a few months back on a monthly basis. I am looking forward to meeting with them, sharing the work of the ministry and bringing a message from the Word in their evening service.

BEWARE OF FALSE BILLS FOR WEBSITE SERVICES: If you own a domain name for your church website, be suspicious of any mail that you may receive that appears to be an invoice for your website services. This mail may come from any number of companies, such as DOMAIN LISTINGS LLC or DOMAIN REGISTRY OF AMERICA. It will include your domain name, a list of charges, probably totaling several hundred dollars, and instructions for making payment. These documents look very authentic, and many people will receive them and pay it without realizing that this is actually not something they owe. If you ever have a question about a website or other technology related contract or invoice for your church or ministry, feel free to contact me for guidance.

God Bless,
Brandon Jones
