Dear Brothers and Sisters,

Jude 3- Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. Lord, help me to contend even more this year for the faith.

December began with travel to Newport, Arkansas. Pastor Jason Bailey and Surrounding Hill MBC invited me to help in their revival services. The focus was world missions and giving by faith. I truly enjoy the opportunity to teach people about faith based giving. The meeting was well attended and it was a blessing to make many new friends. Missionary Kevin Cooper to Iowa is blessed to have Surrounding Hill MBC as his sending church.

On December 12th Michelle and I celebrated 20 years of marriage. We got to spent about four days in Gatlinburg, Tennessee enjoying each other and some days of rest. What an amazing woman God has given me. I am so blessed that she chooses to give our kids a Christian education and is so willing to do it many times in a truck or a travel trailer. She is so supportive of the ministry and all the demands it places on our family's life. There is absolutely no way the ministry would be as successful as it is without her. I thank God for Michelle.

This year for Christmas we got to spend time with our family in Georgia. We are always thankful that God allows us to get together even if it is only for a few days. Many of you have been praying for my grandmother who has been sick. We spent Christmas day at her house in Albany, Georgia and I will always remember the smile on her face as she watched those kids open presents. It was a sweet Christmas.

Prayer and Praises

1. Praise- Many of you helped to make Christmas special around the Lane house. Your outpouring on our family was overwhelming and we were so blessed by your gestures of love.
2. Praise- builders have raised \$22,766 towards a new spray foam machine. The total cost is \$37,300 which leaves only \$14,534 to complete the project. By faith this month we are placing a \$10,000 deposit to get the ball rolling so we can have it for February. Please continue to pray.
3. Praise- Missionary Shawn Welchman who is sent to Flagstaff, Arizona was in need of an enclosed trailer and that need was met. Praise the Lord!!
4. Prayer- Evening Shade Mission home is open for a missionary family to stay in. If you know of a missionary coming in on deputation or just getting started who may need a place to call home for a while, please let them know of the opportunity.
5. Prayer- please pray for our upcoming Oklahoma building project
6. ***NEED- The Macedonian builders have been asked to help raise funds for missionary Gheorge Cornos building project in Romania. The goal is to raise 30,000 towards building materials. The foundation is already in and in May a team will be going to help dry the building in. Please earmark donations to Romania building project materials.***
