Points Of Interest

Hello Brothers and Sisters,

I pray you are all doing well with the quarantine. I have been blessed with work throughout this craziness and Erika has only been cut back to 30 hours a week. She works in a surgical practice. We are very thankful for the work. We know many people cannot work at all.

There is not a lot happening in the ministry right now. I was scheduled to go to Romania with the builders in May, to do evangelism, but they had to cancel the trip. I also had a trip planned to Peru at the end of July but that will not happen either due to the pandemic. Our plan is to reschedule that trip for next year. If anyone would like to go with us next year, we have some open spots on the team. Just let me know. We will be helping with VBS and evangelism within the church's community. VBS trips tend to be great first trips for people because we are working with children and most of us help at our home church every year with VBS, so we are familiar with what to do to help. It is a lot of fun.

I am praying that the pandemic will bring about a worldwide revival. I see so many church's putting their sermons on Facebook. My hope is that lost people and those who have strayed from the Lord will grow closer to him through this and will seek a church home when we all get to start attending church services with our church families. I know our church is seeing hundreds of people logging on to watch services on Sunday mornings. I pray for all of the pastors; they have to make hard decisions I would not want to make. We miss our church family terribly but would hate to see someone get sick because we get together again too quickly.

Please, everyone, keep the leaders of our nation in your constant prayers. They need to let the Lord lead their decisions. I cannot thank you all enough for your continued prayers and support.

God bless you all,  
 Michael Ryan
