

From the desk of

Missionary Paul Lamb

Building Coordinator

working with

June 2020

June second is a special day in my life. 36 years ago, I married Greta. I am blessed by God that the woman I wanted was the woman I needed. Only God can do that.

We have been busy preparing for our upcoming building project at Pine Hill BC in Somerset, KY. By the time you receive this, the project will be completed (Macedonians portion) and we will be in preparation for the next building project. During our "down time" we plan. We try to foresee whatever may happen and do our best to be ready for it. I heard a pastor say just recently that God had a sense of humor. Just tell Him your plans and He'll laugh. I'm sure every missionary would agree that we must be flexible and ready for the darts that the enemy will surely send our way. Ephesians 6:14-16 comes to mind. Be strong. Be ready. Be Faithful.

Over the last month, we have been trying to get caught up on some things here at home. We have been working on the Mission House, doing some small repairs. Also working on the tractor and doing the general maintenance required for all the tools and equipment. The Mission House and the Studio Apartment as well as the few RV spaces are a ministry worthy of your support. Please contact me or our office for more information about this ministry and how you can partner with us to provide these services to our missionaries as needed.

Our project that was planned for Romania was cancelled due to the Covid-19 Virus...and the new date has not been set. Romania and the other countries in the area are still very difficult for travel. It may be springtime of next year before we can safely return to those areas. We just don't know. Please pray for the people and the churches affected there.

Another area hard hit by the virus is the Navajo nation in New Mexico and Arizona. We have a Project planned for September of this year to Farmington, New Mexico. As of today, the project is still on. We will continue to plan, and work and we will be ready. Only the Good Lord knows what the future will be.

As the churches begin to have in-person services again, remember the missionaries everywhere that need our support. Please pray for them and for us as we endeavor to help where needed. We serve a big God and we know He is faithful to provide. We are looking forward to the future and what it holds...

Please pray for health, wisdom, safety, and support during this time. We love you all.

In His service, for His glory - Paul
