September 2020

Greetings,

Today is August 31st, 2020. One week from today will be Labor Day, the unofficial, official end of summer. I think somehow I missed the beginning and middle of summer this year.

Not being able to travel as I am used to do, has been very different for me, not only within my ministry with Macedonian, but with our church as well, No ABA this year, no Church Camp for us, no typical summer church activities, such as a yard sale, drive-thru spaghetti feed and no fund raising activities. This summer has been very different, and now, onto fall.

I do want to once again share information about the radio ministry, we partner with Trans World Radio (TWR) a media broadcast station. This is Christian based company with the great desire of reaching the World for Christ through the airways.

My desire is that you better understand the magnitude of the opportunity presented to Macedonian through the radio and internet ministry. A ministry you can be a part of through your financial support.

TWR goes out in 91 Languages and reaches 219 Countries and Territories. In the month of June alone TRW recorded over 444,000 website hits alone. This does not include people listening over the airways. These numbers represent mostly the web based / Internet aspect. TWR keeps track of "Hits" throughout the world and sends us quarterly reports concerning The Call Radio ministry as well as the TWR ministry in general.

The top 10 countries with site hits are: (This represents all ministries within TWR)

1. India
2. US
3. Brazil
4. Bangladesh
5. Ukraine
6. Turkey
7. Columbia
8. Mexico
9. Argentina
10. Nigeria

Pray for these countries, the people listening to the broadcasts, opening up ministry web sites, learning about the Lord Jesus Christ. The Macedonian Call is a part of this overall outreach. Your support literally goes out to all the world, each and every day.

If you would like more information concerning this ministry please feel to get a hold of me or Kim at the office.

Hope to see you on the field

Gary Weidenbach
