January-2021

Psalm 90:12 (KJV): So teach us to number our days, that we may apply our hearts unto wisdom.

We are praying that the New Year finds all of you healthy and well. December found us a little busy with different things in which we were involved with as the year came to an end.

I received a call from Pastor Steve Rutherford of Calvary MBC in Orlando, Florida. During a trip through Georgia his vehicle had broken down south of us about 1-1/2 hours away. He had gotten an estimate to install a new transmission in the vehicle which was several thousands of dollars. I was able to take the truck and trailer to where it was at, bringing it back to the garage in Acworth. Once at the garage I was able to secure a rebuilt transmission to install in the vehicle and repair an oil cooler on the engine for a lot less than the original estimate. Lesa and I then met Brother Steve at the airport in Atlanta for him to drive the vehicle back to Florida.

Lesa has been recovering from her foot surgery a little quicker than we had expected and with no complications. We were invited to Journey MBC in Calera, Alabama for the weekend to preach and give a report on the Macedonian Mechanics work. We stayed with Pastor Paul Armstrong, his wife Sister Amy, and their children at their home. We always enjoy visiting with this family so much, the fellowship is such a blessing to us. The church blessed us with a fellowship meal then presented us with several gifts which surprised us. We are always encouraged and blessed by this church family.

A few days before Christmas a good friend of mine Mark Fisher took a turn for the worse after battling cancer for a few months. He went home to be with the Lord on Christmas Eve. I am thankful the family and I were able to be with him in his final hours. Mark knew the Lord. The last words he said to me after we had been praying was "I'll be waiting for you in Heaven". My prayer is that you can say the same, that you know Jesus Christ as your Saviour.

Our Christmas time was a little different than normal like most of y'all, I'm sure. We had it spread out over several days with different family members trying to keep everyone healthy. We did get to have both of our grandchildren, Emma and Connor at our home for a few days after Christmas. It is always a joyous and happy time for us.

Thank you for your prayers and support.
